January 1, 2002 — “Hey look! It’s a new M3!” I exclaimed to the four other passengers in the car. We’re just passing through Idaho Springs, heading home from a day of skiing. Snow is gently falling, ushering in the New Year with a soft, peaceful blanketing, while simultaneously slowing the dense holiday traffic on I-70 to a crawl. Our ancient VW Syncro “snowmobile” is barely recognizable as a red wagon; such is the quantity and depth of the

accumulated icy grime clinging to every surface. The bold M3 still gleams bright silver on its upper half; intense bluish headlights illuminate the golf ball-sized snowflakes in its path.

Many “sports car” owners — of all makes — would think “Sacrilege!” at the thought of subjecting something like a new M3 to a driving snowstorm. Nothing wrong with the garage queen approach, I guess, but I’d like to think that Bimmer owners in general choose these cars because they’re *practical* as well as *fun* (safe, stylish, and...). Even a new M3, all 333 hp of it, has every safety feature and high-tech traction aid BMW offers short of all-wheel drive. With the right choice of rubber, there’s no reason *not* to drive it year ’round (provided you don’t go off-road, intentionally or otherwise).

Local club member Sean Mentzer summed it up well in his letter to the editor, published in the December issue of *Roundel*: “So rest assured, if cars had souls, mine would be a happy dirty car, instead of a bored clean one.” Like Sean, many — most, I would hope — bought our Bimmers because, “it was the best car available,” as Mr. Mentzer said. Amen. I might’ve waited ‘til a bit late in the season, but last weekend I mounted the snow tires on our 540i Sport. We don’t go *looking* for black ice, but we’re ready when it comes. Have a happy and safe 2002, and don’t be afraid to enjoy that Bimmer.

“Car of the Month” to start in the March issue

Car of the Month is a series in which Club members will have a chance to showcase their pride and joy in the *Motor-sport Report*. Our membership will see the variety of BMWs and the level of personalization that makes each car unique.

Each month throughout the year we will feature a “Car of the Month.” Any car owned by a Chapter member is eligible. Just send several photos (they will be returned to you) of your car, along with a written description about the vehicle. But wait, there’s more, in the December/January issue you will find a ballot to choose from the 12 Cars of the Month, and a Car of the Year will be announced in the next issue.

A GREAT BIG THANKS

Big thanks to these members who wrote articles and took pictures for this newsletter: **Dave Walker and Rick Viehdorfer** for their articles as our newest board members, **Paul Schultz** for his work on the Ice Gymkhana, **Andy Peavy** for arranging the Go Kart event, **Jim Jenkins** for the article about the Forney Museum tour, **Pete Myers** for another note on the MINI Preview, **Janet Kiyota** for coordinating the Pizza Video Night, **Rich Krebs** for the holiday photos, **Leslie Jenkins** for her article on the Holiday Party and Thank You Note to the Editor, and **Dave Walker** for his "late-braking news." A Big Thanks to everyone for helping us to make this a great newsletter!

Thank you for renewing your ad: **Bailey Saetveit & Co. and Murray Motors Imports**. Also, Kathy forgot (don't give her too much anguish) to mention **Gebhardt BMW** had a new ad in the December issue. Thanks to all of our advertisers for sponsoring our club in this way. We all appreciate all that you do for the Club!

VOLUNTEERS NEEDED!

We are looking for volunteers for several upcoming events. If you have given your name to **Doug Gordon**, he will be contacting you soon. If you would like to volunteer for any of the jobs listed

below or any other jobs, please let Doug know. You can call or email him at gordonm3@rmi.net or **303-215-9116**.

Corner workers needed at our various driving events. Please see the announcement about the Crash & Burn School, Page 6, where you can learn to be a corner worker. Note: they do get paid at our Driving Schools. Since we are hosting the national Oktoberfest here this July, we will need corner workers there, also. (We will have our two days of Driving School, May 4 & 5, and also two days of Driving School at O'fest, plus the Club Race that weekend, autocrosses, and Instructor School. We will need MANY corner workers!)

Lawyer needed with corporation experience to look over our Bylaws to make sure they are in compliance. Please call **Dave Walker** at **303-499-7416** if you can help us out with this.

REWARDS PROGRAM REMINDER

Looking to purchase a new BMW? You're in luck, BMW CCA has brought back the Rewards Program; all vehicles qualify except the Z8. The only qualifications are you must have been a Car Club member for at least one year. Check it out in your monthly Roundel or the BMW CCA website at <http://www.bmwcca.org/services/svcfset.shtml>.

CART TICKETS

There is still time to purchase CART tickets. Please see your December issue, or contact **Bob Sutterfield, 303-743-8109 (h)**, or bob@xc.org for more information.

OKTOBERFEST 2002

O'fest 2002 to be held in Colorado this year! Dates are July 14 to 19, 2002, so make your hotel reservations now (as space will be limited), call **1-800-258-0437** and use the group code: **(CS0CBMW)**. Committees are already forming, and volunteers will be welcome, as the event gets closer. Most important, put it on your calendar!

LETTER TO THE EDITOR

Dear friends,

I want to thank you so much for your cards and flowers, concern, words of comfort and encouragement after my recent breast cancer surgery. You made my spirits soar and gave me a tremendous feeling of caring. I love the warm, snuggly sheepskin slippers, too. They come in handy during these cold wintry nights.

I am fortunate that I will not need chemotherapy, just tamoxifen tablets for 5 years.

Again, you are the greatest, and thanks for your support during these difficult months!!

Best wishes to you all for a healthy 2002,
Leslie Jenkins

DARLENE DORAN, EDITOR

Greetings! To you from me (Darlene Doran) your new *Motorsport Report* editor. First, I would like to take this opportunity to thank Kathy Ambrose for her seven years of dedication as the editor of the *Motorsport Report*, job well done Kathy!!!

My husband, Mark and I have been club members since 1996, when we purchased our first BMW. Some would say we have too many BMWs, however, our car insurance agent would disagree. Our youngest daughter and son drive BMWs too. Some people refer to us as the "other Mark and Darlene".

As your new editor, I would like to try some new things and hope you will give me suggestions. Your input would be greatly appreciated. You can e-mail me at choicebizops@qwest.net, call me at 303-758-4200, fax to me at 303-758-1841 or send comments to the Chapter P.O. Box.

DAVE WALKER, PRESIDENT

Welcome to the New Year! As your newly elected President of the Rocky Mountain Chapter BMW CCA, I'm already getting better acquainted with the diverse and interesting group of people that constitutes our club. This is good; there's always someone with the particular know-how and experience willing to step forward and lend a hand. Thanks especially to President Emeritus Dee Raisl for her dedicated leadership during her tenure, as well as for her continuing guidance as she "shows me the ropes!"

As I'm getting to know many of you better, perhaps it's only fair to tell you a little bit more about myself in return. A necessary prerequisite for this job is long-time devotion to the BMW marque; evidenced by my club membership number, 58512. This passion is shared with my wife, Leila Vale. Together we've owned 15 BMWs over the last 17 years, with an '88 M3 (hers) and a '95 540i Sport (his) presently in the stable. We're both engineers with the National Institute of Standards and Technology (NIST) in Boulder — probably best known as the site of the atomic clock that's the basis for the

U.S. time standard. The gear-head background helps explain why I enjoy working on our Bimmers when the opportunity arises, but I've learned to defer to expert professional mechanics (of which our chapter is well blessed!) for major work.

Central to my mission as President is a desire to work with and help out the people who *are* the club. We're staunch supporters of driver education and both instruct at club driving schools (as well as for the Quattro Club — don't tell anyone), and enjoy the company of friends and fellow Bimmerphiles. When we're not driving or fraternizing with the RMC clan, you'll find us riding our bicycles (everything from 100+ year-old antique high-wheelers to modern mountain bikes and a three-seater tandem), skiing, walking our two Portuguese Water Dogs, or taking in a concert or play.

We are all fortunate to have a vibrant, active chapter with many new and veteran members with a remarkable breadth of experience and capability. I look forward to meeting and working closely with more of you in the weeks and months ahead, whether at a local club event, Oktoberfest this July, at one of our monthly planning meetings, or maybe out on the road — on two wheels or four. We celebrate "transportation diversity," but it's no coincidence this year is 2002; a reminder of the BMW model that created The Ultimate Driving Machine fervor in many of us.

RICK VIEHDORFER, VICE PRESIDENT

As your newly elected Vice President, I look forward to working hard for our club. As I have stated before, a club is only as strong as it's membership and elected leadership. I will strive to strengthen and grow the club's active membership while supporting our strong Board of Directors. I would like to thank our outgoing President, Dee Raisl, Vice President, Alan Warner and Editor, Kathy Ambrose for their hard work and dedication in the past years.

I look forward to working with the Board and club members over the next years.

Fred Iacino for South Central Region VP

I would like your vote for 2002-03 Vice President of the South Central Region, BMW CCA. Why vote for me? Because...

1. When I make a commitment, I stick with it. I've been a member of the Rocky Mountain Chapter for over 18 years. I have been active at all levels serving in all offices including two years as President. I am a committed, strong leader who has helped make the Rocky Mountain Chapter one of the most active chapters in the South Central Region. I've also served as President of the Associated Collection Agencies, am a current Board member and on the Legislative Committee for the ACA. I'm a past board member of the Northwest Metro Chamber of Commerce and was appointed to the Statehouse Conference on Small Businesses for Colorado.
2. I am a team player who knows how to organize. Since 1983, I have taken an active role as newsletter editor and in organizing events (driving schools, concours, tours, social events, and autocrosses) for the Rocky Mountain Chapter. Nationally, I have helped organize three annual Oktoberfests and am currently working as Co-Chair for Oktoberfest 2002.
3. My mission: To respond to the needs of our membership and work toward accomplishing the common goals set forth by CCA. If elected, I plan to achieve this with commitment, teamwork, strong leadership, and a focused direction. BMW CCA is an organization whose history and track record for success are unparalleled. I want to keep it that way with an open door policy so that I can give your ideas and interests the best consideration and keep communications open with all South Central Region chapters.

Personal note: I own and race a 1979 323i with SCCA and have done some Club Racing.

DON'T FORGET TO VOTE

Go Karts!

Andy Peavy, Chair

Once again we are going to TBC Indoor Racing to race the Go Karts. It will be on Saturday, February 23rd. Arrival time is 9:00am with the driver's briefing starting at 9:15am sharp. Don't be late. This year we will be running a longer 150-lap race; and there will be a *limit of 36 people* (6 teams of 6 people). Sign up is first come first serve. Send in your registration immediately. Each member may bring one guest.

The cost will be \$39 per person and includes a few practice laps and one stint driving for your team (somewhere near 25 laps). Each team will be six randomly selected people. If you have a guest, you will be placed on the same team. The karts are actual full size European racing karts.

TBC Indoor Racing is located at 4351 E 46th Ave., Denver. That is at I-70 and Colorado Blvd. on the NE corner just East of the Eagle Claw warehouse. Wear jeans and a long sleeved shirt; flexible, comfortable shoes like tennis shoes (open-toed shoes are NOT allowed!); and driving gloves and a full-face helmet (with eye shield) if you have them. If you do not have a helmet and gloves, TBC Indoor Racing will provide some.

Make your registration by **February 18th**, your check is your reservation. If the event is full, your check will be returned to you (and you will be called.) Sign up as soon as you can — This is a popular event. For questions, email Andy Peavy at apeavy@attbi.com or call during evenings at **303-617-9223**.

Corner Workers Needed for O'fest!

ATTEND CRASH & BURN SCHOOL TO QUALIFY

Saturday & Sunday, March 16 & 17, 2002

Vintage racers (RMVR), SCCA, Porsche Club and shifter cart folks are putting on a 'crash & burn' school. This is serious training to be a corner worker! It's flags, radios, timing & scoring, but the second day gets into serious stuff about saving people in a crash: extracting someone from a wreck, and handling fires. These will not be just classroom, but use actual vehicles, fuel & fire, and be serious training.

This will be held at the North Washington Fire Station in Northglenn, with only a nominal charge for lunch, but no fees as long as you are a club member. The hope is that you will take advantage of your new skills and participate in BMW CCA, SCCA and other club events.

More details and registration information will follow next month, contact Gary Mayer with questions: **303-618-6102**, garymayer@alum.mit.edu.

Lunch at the Forney Museum of Transportation March 9, 2002

If you're a car buff, you like cars of all types. Come to the Forney and see old and rare automobiles, buggies, carriages, wagons, and the world's largest steam locomotive. The current most notable attraction is a 1926 Rolls Royce once owned by Jack Dempsey, the 1919-1927 world heavyweight boxing champion. The car, valued at \$350,000, is on loan to the museum. The museum is a classic, an outgrowth of J. D. Forney's passion for all motorized vehicles. If you have never been to the Forney, it is an exhibit you really should see.

We are planning to serve lunch at the museum and visit the exhibits. Lunch will be a buffet of make-your-own sandwiches, side salads, and a dessert, served at noon. The cost for lunch is \$7.50 for adults and \$5 for children 12 and under. To make a lunch reservation, send your check made out to RMC BMW CCA, to: Jim Jenkins, 2026 S. Ironton Ct, Aurora, CO 80014-1029. Be sure to put on your check how many adult and child lunches you are ordering. Deadline for mail reservations is a postmark of March 2, 2002. Lunch cancellations and refunds after that date will only be taken if we can find someone to take your place.

There will be reduced admission for adults and children for unlimited entry to the museum. (Adults \$5; kids 12-18, \$3; 6-11, \$2) You can come early, and then have lunch, or have lunch and then visit the exhibits. Reduced admission starts at 11 AM and is good 'til closing, 5 PM. Information on the museum is available on their web site: www.forneymuseum.com.

Holiday Party/"Dirty Grab"/Food Drive Review

On December 1st, we ended the years' activities with our annual Holiday Party at member **Ed Padalinski's Gateway to the Rockies**. Eighty-seven members and guests (the largest group *ever*) had a wonderful dinner, which included roasted pork tenderloin, London broil, grilled mahi mahi, various sides, apple cobbler, Sacher Torte and an unending supply of cheesecakes.

Before dinner, retiring President **Dee Raisl** had a short meeting. She told about upcoming events, introduced and gave gifts to the outgoing Board, introduced the incoming Board (**Congratulations to: Dave Walker - President, Rick Viehdorfer - Vice President, Alan Warner - Membership chairman, Darlene Doran - Editor**) and gave out Loyalty Pins to the following long-time members:

25 Year - **Dennis Jacob** (belated)

10 Year - **Charles Cordina**

5 Year - **Mark Doran, Mark Glodava, Andrew Jordan and Ed Padalinski**

Associate pins: **Wayne Covington, Darlene Doran, LeeAnne Jordan and Diane Padalinski**

After dinner, Dee explained the gift exchange; then it was on to the *real* reason for the fun and festivities...the Dirty Grab!!!

When unwrapped, the gifts included assorted car models, a floor jack, t-shirts, car books, calendars, gift certificates, BMW flags, gourmet food items, flashlight, candles, several chocolate items, car cleaning paraphernalia, wine, Crown Royal, mugs, posters, DVD, jams and candy. The RMC rubber chicken even made an appearance, much to **Jerry Hodge's** chagrin.

Other attending members and their guests were: **Kathy and Jeff**

Ambrose, Karen and Kevin Andrew, Ed Archuleta and his guest, Judy Balice, Cappi and Steve Baumgart, Denise and Mike Beyer, Carol and Alan Brautigam, Wayne Covington, Caryn and Dick Dailey, Mark and Darlene Doran and her mom, Bonnie Donley, Diana and James Emerson, Carole and Bruce Fronk and their guests, Joe Gilmore, Paula and John Googins, Bruce Hazard, Phyllis and Robert Hodges, Fred Iacino, Darlene and Mark Irvin, Leslie and Jim Jenkins, Tim and Beth Jones, Eric Kephart and his guest, Janet Kiyota, Nancy and Rich Krebs, Bryan Lancelot and his guest, William Leisey and his guest, Alex Lunsford, Jean Mac Donald and her guest, Gary and Kathleen Mayer, Paul McClean, Guy McCoy, Pete and Lynn Myers, Dennis Nappier, Gary Odehnal, Diana and Geoff Patterson, Pete Peterson, Zita and Malcolm Quentin, Mildred Ransom, Ann and Bill Schaefer, Stacia Schmalzer and her guest, Lisa and Paul Schultz, Janet and Tom Sims, Lauri and Bob Sutterfield, Decker Swann, Leila Vale, and Bev and Steve Williams.

Many members brought donations for the **Food Bank of the Rockies**. Thank you very much for being so caring and giving.
